

Want to Inspire your CA Team to Greater Levels of Performance, Productivity and Fulfillment?

Realise your team's potential with this unique, In-Office Success Training Program

Powerful training is designed to meet your immediate practice needs to help save you time, money and frustration. Uncover glitches that you may not be aware of, help your team become even more efficient and professional, and create complete harmony within your practice.

"Berni, your certainty, excitement and experience proved invaluable during our training session and we're ever so grateful for your help in getting us back on track. You were able to pinpoint what had been right under our noses and holding us back and we thank you very much. A job well done!"

Team Hawthorne Chiropractic

Your strengths and challenges will be assessed to determine which aspects will make the biggest difference to your practice.

Some key areas that can be addressed are ...

- Dealing with difficult situations – how to create a win/win;
- Your CAs ability to generate new clients for your practice;
- Empowering education your CAs can put into place every day with every client;
- Team synergy;
- Telephone etiquette – what, how and when to say it;
- Book control – block, cluster and scheduling;

Which areas could be improved in your practice?

Whichever areas you choose can be covered with solutions and action steps individualised to you! Our highly experienced trainer, Berni Ireland CCA offers you a wealth of knowledge and skills from a very diverse cross section of Chiropractic practices in the roles of CA, Office Manager, Consultant and Trainer.

You **can** create the streamlined practice of your dreams!

Berni is a Mentor, Coach and the Principal CA Tutor for The Centre For Powerful Practices, and is based on the Gold Coast, Queensland Australia . Berni has had over a 20 year career in Chiropractic and each of the clinics Berni has been involved with have become bathed in positiveness and full of fun.

Call Berni Ireland on 0412 415 719 for further information or simply fill in the Application Form
